# HEARTS & HARD HATS

Carpenter Hospice is "Making Room"! Please join us this year as we are excited to celebrate our much-anticipated expansion and renovation. Starting in fall 2016, the Hospice is building new state-of-the-art rooms for residents, and repurposing the existing structure to accommodate our growing community outreach programs.

The gala brings together our closest friends and supporters for an evening of gourmet dining, fine wine and dancing the night away. Seven solid hours of entertainment...all in support of the Hospice!

We are so fortunate here in Burlington to have the generous support of businesses and individuals in the community. It enables us to continue to offer our essential services and programs at no cost to the end user. Every gift is special. Every gift matters.

Carpenter Hospice

*Making Moments Matter*

Carpenter Hospice is a home in the heart of Burlington that offers both residential-based care to people in the last stages of their lives, and community-based programs for people dealing with grief or a life-limiting illness. It lets residents spend their final days together with loved ones in an environment that is peaceful, comfortable and meaningful. It is staffed by a dedicated team of professionals and volunteers who provide compassionate palliative care to meet residents' every need and ensure that each moment counts.

Carpenter Hospice has been an integral part of Burlington since 2002 thanks to the generosity of the community and is committed to providing support services for those going through life's transitions.
