About the Hike

Hike for Carpenter Hospice is an annual tradition that raises funds and awareness for Carpenter Hospice.

With the current COVID-19 situation Carpenter Hospice has switched to a *Virtual Hike!* This will ensure our participants, staff, volunteers, and supporters are safe while we practice social distancing. The event will take place on **Saturday, October 17th** and your support will provide end-of-life hospice care, palliative outreach and bereavement supports at no charge.

100% of the funds raised stay in your community.

Carpenter Hospice is a home in the heart of Burlington that offers both residential-based care to people in the last stages of their lives, and community-based care for people dealing with grief or a life-limiting illness.

**we walk to remember.
we walk to give thanks.
we walk to support.**
