Carpenter Hospice

This year our community and Carpenter Hospice have shown great resilience and dedication to ensure residents, families and program participants continue to have access to safe, exceptional, and quality hospice palliative care.

With all we have endured this past year, we are excited to invite you to join us at Piper's Heath Golf Club to help raise money and awareness for Carpenter Hospice services .

"My commitment to Carpenter is personal. Thanks to an outstandingly dedicated team, my mother left this earth surrounded by love and care and dignity. It is my aspiration to ensure this extraordinary care continues to be available to all in Burlington who need it. I know with your support we will reach our goal of \$65,000"

Your partnership will help ensure compassionate and dignified hospice palliative care is available for your neighbour, your community, and your family when needed.

If you have any questions or ideas on how to support Carpenter Hospice, please contact Pamela at development@thecarpenterhospice.com or 905.631.9994 ext. 118.

Thank you and we look forward to seeing you at this memorable event,
